Introducing London Mutual Credit Union

London Mutual Credit Union is a community owned not-for-profit financial co-operative.

Established in 1982, London Mutual Credit Union offers a local, ethical and affordable choice for financial services for anyone who lives or works in the London Boroughs of Southwark or Lambeth.

Our members benefit from access to affordable financial services such as:

- flexible and safe savings
- low cost loans
- affordable insurance
- straightforward current account

When you open an account with London Mutual Credit Union we will ask you to prove your identity and address by producing TWO original documents.

If you have experienced difficulty opening an account with a bank or building society, please talk to us – we would like to help you open an account with London Mutual Credit Union, and a Credit Union Current Account (CUCA).

CU On-line

You can apply to become a member and manage your account at your convenience by using our secure on-line service. Just go to our website creditunion.co.uk and select CU Online / Sign up / Log in option.

Affordable Financial Services

London Mutual Credit Union offers a simple savings account, with access to low cost loans, affordable insurance, and a current account to help you manage your finances efficiently.

Savings

It's easy to save money with London Mutual Credit Union – you can pay in cash or cheques at one of our local branches, pay by debit card over the telephone or in a branch, set up a direct debit mandate or have deductions made straight from your salary if you work for an employer who has signed up to offer this service (please ask for details).

Your savings are used to provide loans to members, so each time you save with us, you invest in your community.

Christmas and holiday savings accounts are also available.

You may also receive an annual dividend on your savings.

Young Savers Account

Young people under 16 who live in Southwark or Lambeth or go to school in Southwark or Lambeth can open their own personal savings account in their name. If their school offers Young Savers Accounts, they will also be able to deposit money at their school (ask us for a list of participating schools).

A trustee can operate the account on a child's behalf until they are old enough to manage their own account.

Child Trust Fund

The Government scrapped the Child Trust Fund scheme, but you can still transfer existing Child Trust Funds to the credit union. We have typically paid 5% interest on these accounts, although the interest rate can vary each year as it depends on the profit of the credit union and cannot be guaranteed.

Child Trust Fund

Loans

If you need a little extra money for a holiday, new car, home improvements, to pay a bill or just to make ends meet, why not compare our loan rate with other lenders?

Our interest rate is from 12.7% APR depending on how much you borrow. We calculate interest each day on the reducing balance, which saves you interest on your loan.

Before you agree to take out any loan you should always compare lenders' interest rates. There are no set up fees or charges for early repayment on our loans and we don't discriminate against members who are not working. Whether you are in employment or not you will be considered for a loan – don't be tempted by high cost and doorstep lenders, where a £500 loan over 12 months can cost you £350 in interest.

Free Savings and Loan Insurance

Taking out a loan and saving for the future can involve a long-term financial commitment. We have no way of knowing what unexpected challenges life may spring upon us. Life Savings and Loan Protection insurance will leave you with peace of mind and protection. If you should take out a loan and die before it is repaid, this cover can help to ensure your debt is settled and is not passed on to your loved ones when you are no longer here. It will also pay up to double the amount of your savings (currently up to £10,000) to your nominated beneficiary. Best of all, London Mutual Credit Union provides this insurance **free** when you become a member, offering financial security for you and your family.

Insurance needs covered

London Mutual Credit Union works with CUNA Mutual to cover all your insurance needs.

Credit Union Current Account

The Credit Union offers a Credit Union Current Account (CUCA) to its members. This account has no overdraft facility and if we have to recall a direct debit payment because there is not enough money in your account, we won't charge you £30.00! There is a charge, currently £15.00 if we have to recall a direct debit, that covers actual costs.

The account does have an ATM card and a Debit card, and you can set up standing orders and direct debits to pay your bills.

There is a small weekly charge for the current account – please see our website or ask in branch for details.
