Staff benefit

for London Ambulance Service

London Ambulance Service 
NHS Trust

Southwark Credit Union

Joint Statement

To all London Ambulance Employees

The London Ambulance Service and LAS UNISON have jointly introduced a Staff Benefit through the Southwark Credit Union. This benefit is available to all employees and their immediate family. We have joined other major public sector employers in offering Credit Union services to employees because Credit Unions are 'not-for-profit' mutual organisations existing solely to serve their members.

As partners, London Ambulance Service and LAS UNISON are concerned not only with the welfare of staff, but the problems that the use of expensive financial services can cause. This is why we are working with Southwark Credit Union to raise awareness among London Ambulance staff about the benefits of Credit Union membership and to facilitate staff access to the reasonably priced financial services that the Credit Union offers.

Employees at the King's College NHS Foundation Trust, Guy's & St. Thomas' NHS Trust, Southwark Council and the Greater London Authority also have access to the benefits that Southwark Credit Union can offer.

The Credit Union encourages its Members into the habit of saving money via their salary and provides loans at low interest rates.

Please read this leaflet carefully to see what Southwark Credit Union can offer you. We are giving them our full support and hope you will take advantage of their services.

The opportunity

What are Credit unions?

Credit Unions are co-operatives that provide financial services to their Members. They offer a safe and convenient place to save and also provide loans at a very reasonable rate of interest. They are mutual organisations and are driven by an ethos of service to their members, rather than maximising profits.

Credit Union Current Account

The Credit Union offers a Credit Union Current Account (CUCA) to its members. This account has no overdraft facility and if we

have to recall a direct debit payment because there is not enough money in your account, we won't charge you £30.00! There is a charge, currently £15.00* if we have to recall a direct debit, that covers actual costs. The account does have an ATM card and a Debit card, and you can set up standing orders and direct debits to pay your bills.

There is a small weekly charge for the CUCA – please ask for details or check our website for the current charge.

Why save with the Credit Union?

Southwark Credit Union encourages its members to save regularly through payroll deductions, however small an amount. Additional sums can be paid into your account at any time in cash or by cheque. This makes your savings plan flexible and convenient. Savings soon build up – you won't even notice it!

Dividends

The Credit Union does not pay interest on savings – we pay an annual dividend based on the profit the Credit Union makes after all the operating expenses and reserves are calculated. The amount varies depending on the profit and it should be noted that in some years there may not be a dividend at all.

We do pay interest on our Young Savers' accounts, so why not encourage your children to save with the Credit Union as well?

What is the cost of borrowing?

Our interest rates are from 8.00%APR* depending on the amount you borrow and we calculate interest each day on the reducing balance, which saves you interest on your loan. Also, there are no set up fees or charges for early repayment.

What is the free insurance?

Making sure your loved ones are taken care of is even more important when you are no longer here. Every eligible Southwark Credit Union member receives **free** Life Savings and Loan Protection insurance – **you don't pay for this, we do**. When you join Southwark Credit Union, we will ask you to nominate a person who you want to benefit upon your death.

- We will pay up to double the amount of your savings (currently up to £10,000) to your nominated beneficiary.
- If you have a loan outstanding to Southwark Credit Union, your family will not have to worry about meeting your loan repayment as the free loan insurance will repay your debt to the credit union. In effect – your debt will die with you. Conditions apply.

The benefits

The Credit Union exists only to benefit you and your fellow members...

Established in 1982 to provide Credit Union services to employees of the London Borough of Southwark, Southwark Credit Union has expanded rapidly during the past five years. We are one of the fastest growing Credit Unions in the country. We currently have a membership of 8,500 and assets of £8.5 million. (January 2009 unaudited)

Like other financial institutions, Credit Unions are regulated by an Act of Parliament – Credit Union Act 1979 and section 2 of the industrial and Provident Societies Act 1965.

Credit Unions, banks and building societies are supervised and regulated by an organisation called the Financial Services Authority (FSA). Credit Unions are required to send regular financial reports to the FSA.

The Financial Service Compensation Scheme provides a final safety net if a bank, building society or Credit Union should collapse. If the worst should happen, the Financial Services Compensation Scheme is able to provide compensation, to ensure that you do not lose all your savings.

The scheme provides 100% compensation for the first £50,000 of savings.

Worldwide statistics...

There are over 177 million members representing 49,000 credit unions in 96 countries throughout the world.

(As at December 2007)

Membership fee

A one-off membership fee of £2.00 will be charged to all new members.

Section 2

Application for Credit Union Lottery

If you wish to join the Credit Union's own lottery, please do not forget to complete the form below. For as little as £1 per month you could win a number of cash prizes every month and there is one big prize draw every December.

I wish to have tickets per month at £1 per ticket.

Please deduct £

from my Share 1 Account until further notice. This notice cancels all previous lottery deduction authorisations that I have signed.

Date

Please complete the form fully and bring it to one of our branches with an original proof of ID and address. If it is difficult for you to come to a branch, we can verify ID on line – this doesn't leave a 'footprint' or affect your credit file in any way – if you are happy for us to do this please sign and date the declaration below.

I agree that Southwark Credit Union may verify my identity and address via Equifax enquiry.

Loans and withdrawals

Because it may not always be possible for you to get to a branch, you can apply for loans by post and the loan can be paid directly into your bank account by BACS transfer, which takes up to 3 working days. Similarly, withdrawals from savings can be paid by BACS. If you would like to use this service please give us your bank details:
